THE LIFE CYCLE OF THE SEED

Here in the middle of summer, many people grow vegetable and flower gardens, or appreciate the work of others by buying produce from roadside stands and farmer’s markets. All our readings today embrace one of God’s smallest but most common miracles as a metaphor: the seed and its cycle, and all that it stands for. Isaiah reminds us that just as God waters the earth and cares for it so that seeds may grow, so the Word of God will come and not return to God until it has borne fruit. Psalm 65 describes the cycle of growth and personifies fields that “shout for joy.” Romans has “creation groaning in labor pains” as it waits for its seed to come to fruition, redemption of the body. Similarly, Jesus teaches the crowds by using the parable of the sower and the seed.

.Act of Hope

O my God, relying on your almighty power and infinite mercy and promises, I hope to obtain pardon of my sins, the help of your grace, and life everlasting, through the merits of Jesus Christ, my Lord and Redeemer.

TOWARD HEAVEN

Think well. Speak well. Do well. These three things, through the mercy of God, will make a person go to heaven.
